RE-ELECTION OF INDEPENDENT BOARD MEMBER – DAVID BROWN

David has around three decades experience in UK housing, which includes posts within local authorities and private providers, and involvement with private sector renewal, homelessness, customer empowerment and neighbourhood management.

His current role is as Director at Pine Court Housing Association, a community-based landlord in Liverpool. His responsibilities include management, monitoring and development of high-quality value for money services (including repairs and maintenance services); property investment/improvement programmes; risk management; finance; ICT; human resources; learning and development; health and safety; governance; and marketing/communication. He is also responsible for the delivery of the consumer standards and for compliance against the Housing Ombudsman Complaint Handling Code.

These are clearly insights David brings to his Board post at CGA.

Previously, David was a Non-Executive Director of a community-based sports mentoring programmes and supported housing scheme, and he is currently a Non-Executive Director of Mandela8, a Merseyside based charity focussing on anti-racism and inclusion.

During his first term on the CGA Board, David has considered proposals from the Executive Team and debated issues around equality, inclusion and diversity, finance and development. He promotes the new CGA Vision, Values and Behaviours and has had involvement in developing the new Corporate Plan.
